

Timestamp	#	Preferred Race Distance?	Ran 2015 MAH?	If No, why?	Preferred Time of Year for MAH?	Improvements for 2016 MAH?	Dislikes about previous MAH's?	Preferred venue?
10/14/2015 6:35	2	Half-marathon	Yes		Fall	Snacks during the race for the runners like oranges, etc...		Downtown Waynesboro
10/14/2015 6:37	3	10K	No	The price was too high	Spring	Family activities.		Otterbein Park
10/14/2015 6:55	4	10M	No		Fall			Renfrew
10/14/2015 6:57	5	10M	No	Volunteered	Fall	Beer at the end of the race.	No activity at the end. Nothing to keep people in the area after the race.	Downtown Waynesboro
10/14/2015 7:21	6	Half-marathon	Yes		Fall			Downtown Waynesboro
10/14/2015 7:25	7	10M	No	Volunteered	Fall	Something to do after the race	After the race there was nothing happening. People just went home when they were done. Need to change the medals	Otterbein Park
10/14/2015 8:03	8	10M	No	The price was too high	Fall			
10/14/2015 8:14	9	Half-marathon	Yes		Fall	More bang for my buck. Better/different shirt. Better food & goodie bag.	The price --	Either downtown or Renfrew or current course
						Combine run with another event - before/after market days... Pumpkinfest then offer a free admission or lunch	Lack of follow thru on promised rewards or discounts	
						Combine with beerfest with 1/2 off admission	Last minute scrambling to make sure things are covered	
						October runfest with focus on breast cancer awareness with healthy living expo	Lack of advertising	
						Contract with local well loved eatery --- waynesburger, parlor house, Frank's - to do food	BUT there are many things that I loved! Great coverage at every turn & water stations, beautiful course, nothing like running a race in my own town!!	
10/14/2015 8:22	10	10M	No	Volunteered	Spring	More after party	Not enough community involved	Renfrew
10/14/2015 9:07	11	Half-marathon	Yes		Fall	Simple pricing structure, and AMOUNT of registration. Pricing it lower and getting larger numbers will produce more revenue than making it HIGH but losing runners. This past year has proven that.	I think my "dislikes" are reflected in my comments above.	Downtown Waynesboro
						True awards for age-group winners. Discount coupons for the next years race seems cheap. I liked the caps.	There needs to be consistency - pricing has changed each year it seems, awards from year to year aren't consistent.	
						Packet pick-up place is very nice but not practical location on race morning for registration.		
						Volunteers, water stations, post-race food, porta-pots, shirts, timing, course markings, Race Director...all are great! Keep up the good work!	I know there are thoughts of changing the distance of the race, maybe even the name or location. I don't think these account for lack of momentum. Don't make yet another change, is my thought. Half Marathon is a very popular race distance.	
10/14/2015 9:37	12	10K	Yes		Fall	Lower pricing, different medal, more community involvement	2014 was great. 2015 the price was too high. The medal was the same as the last 4 years. not enough community involvement	Renfrew
10/14/2015 9:54	13	10K	No	The price was too high	Fall			
10/14/2015 10:19	14	Half-marathon	No	Schedule conflict	Spring	Me	The weather.	Downtown Waynesboro
10/14/2015 10:29	15	10K	Yes		Spring	Direct sponsorship of a group or charity	No real support from downtown	The High School
						sample the chili's after the race and have music and if possible a beer garden. Most races I have been to have some sort of beer involved. I know CFAR doesn't want to promote alcohol but the realization of this is this race will never grow because there are better races out there at the same time that offer more. So if you not willing to go out on a limb and try new things then this survey really doesn't matter...I know some of the bigger races have sponsors that cut some of the cost but CFAR doesn't have to absorb all the cost to make this a better race. If you have something like a chili cook-off then charge like a 10 dollar entry fee to have a table set up which is free money to CFAR you could possibly get 20 participants which you could possibly make 200 bucks of free money. Add one beer ticket to the bib of the racers for one free beer, that draws the people to stay to get there beer and then most races charge 5 dollars a beer after that and the lines are crazy with people waiting to buy the beer so you can make some cash up from beer sales. Maybe the CFAR Group could bake items and have a bake sale after the race at the after party and the money from that could go back into the cost of the race. The options are endless just depends on which way you want to run with it.	Never ran it so I have no dislikes about the race, However I usually run races the same time this one is that are cheaper and have better after parties and goodies they give you after the race. Maybe you should have more than one race at a time. Keep the half marathon but also have maybe a 5 mile race or 10k at the same time to bring more people out and bring in more money.	Somewhere you can have an after party that serves beer and food. Even if you have to buy it people will do that.
10/14/2015 11:25	16	Half-marathon	No	The price was too high	Fall			
10/14/2015 11:51	17	10M	No	The price was too high	Spring			
10/14/2015 11:57	18	10K	No	Volunteered	Fall	Less demand for volunteers. Missing shorter race, mainly out of town.	Last minute uncertainty if we had volunteers.	
10/14/2015 13:11	19	5M	Yes		Fall	Lower prices, more community and local business support, activities for kids while race is going. Better weather :)		I think the venue and course were ok
10/14/2015 13:59	20	10M	No	The price was too high	Spring		The finish and the awards ceremony	
10/14/2015 15:02	21	Half-marathon	Yes		Fall			Downtown Waynesboro
10/14/2015 16:08	22	10M	Yes		Fall	Fuel on the course		Downtown Waynesboro
10/14/2015 16:16	23	Half-marathon	Yes		Fall	I like the venue and the course, although a 10K or 10M would suffice.	I've run the last 3 year (I think), and some of the water stops weren't well tended.	Downtown Waynesboro
10/14/2015 16:27	24	10M	Yes		Fall	More runners, esp 1st timers from our area who are using the race to reach fitness and lifestyle changing goals.	(2015 only)	Renfrew
10/14/2015 16:29	25	Half-marathon	No	Had another race scheduled	Fall		The hill outside of Wayne Heights	All around Waynesboro
10/14/2015 18:24	26	Half-marathon	No	The price was too high	Fall	More community involvement, new or amended course, better post-race food/drink	Run through several communities with no fanfare, rough section of course by the soccer fields, poor post-race party	Downtown Waynesboro
10/15/2015 10:07	27	10K	No	The price was too high	Spring			Otterbein Park
10/16/2015 8:09	28	10M	No	Volunteered	Fall	The Mad Anthony needs to be partnered up with something else in going on in town, I don't see it surviving if it continues to be a stand alone race.	There is nothing after the race, seems like the downtown businesses view it as an annoyance, don't get on board to take advantage of the extra people downtown. One finishes the race and leaves.	I think when and if the plan for connecting all the parks goes through, a race utilizing all the parks and some roads would make a unique race, trail/road race.
10/16/2015 11:07	29	Half-marathon or 5M	No	The price was too high	Fall	Consider making it a distance festival with two races. One shorter race could be on Friday evening and keep half on Saturday.	A lot of turns complicate race in neighbor hoods	Could use old martins parking area but would need port spots or use high school or middle school
10/20/2015 8:14	30	10M	No	The price was too high	Spring	More of a family affair, something for everyone	No activity at the end. Not much community support. Medals are the same.	A town park (Memorial, Rotary, etc)
11/7/2015 5:09	31	Half-marathon	Yes		Spring	I would not like to see that gravel area again. Lol.	That gravel area. Lol. I liked the neighborhood.	Downtown Waynesboro
11/7/2015 5:33	32	Half-marathon	Yes		Fall	Food at the stops like oranges, etc...		Downtown Waynesboro
11/7/2015 6:01	33	Half-marathon	Yes		Fall			A town park (Memorial, Rotary, etc)
11/7/2015 6:13	34	10K	No	The price was too high	Spring	Family activities	The dirt road.	Otterbein Park
11/7/2015 6:37	35	Half-marathon	Yes		Fall			Downtown Waynesboro
11/7/2015 6:38	36	10M	No	Schedule conflict	Summer	It is held the same weekend as my fall marathon, so I couldn't go the last two years.	The hills	A town park (Memorial, Rotary, etc)
11/7/2015 6:57	37	Half-marathon	No	Schedule conflict	Winter	Continue to announce names when crossing the finish line.		Downtown Waynesboro
11/7/2015 7:01	38	30K	No	Schedule conflict	Fall			The High School
11/7/2015 7:10	39	Half-marathon	No	Schedule conflict	Summer		Nothing. July doesn't have as many half options in my area anyway.	Not familiar with the area to give input.
11/7/2015 7:17	40	10K	No	Injury	Fall	Chip timing	No chip timing	Downtown Waynesboro
11/7/2015 7:54	41	10K	Yes		Fall	Maybe offer a 5K or 10K in addition to get more participants.	The price!!!!!!	Downtown Waynesboro
11/7/2015 7:56	42	10M	No	Schedule conflict	Fall	I enjoyed the big street finish at Wineglass last month. That is why I like in town finish. 133 participants is a great number IMHO.		Downtown Waynesboro
11/7/2015 8:02	43	Half-marathon	Yes		Fall	This is one of my all-time favorite races. You do an excellent job. Thank you for your work.		
11/7/2015 8:13	44	10K	No	Didn't like the distance (too long/too short)		I have no preference on the time of year. Keeping the venue local is great	I just have no interest in marathons. Please don't take my comments as negative I think the enthusiasm for running in Waynesboro is a good thing!	
11/7/2015 8:18	45	10K	Yes		Summer			Downtown Waynesboro
11/7/2015 8:34	46	10K	Yes		Spring			Downtown Waynesboro
11/7/2015 8:34	47	Half	Yes		Fall			Downtown Waynesboro
11/7/2015 8:35	48	Half-marathon	Yes		Fall	Nothing any different-everything was very organized		Downtown Waynesboro
11/7/2015 8:45	49	15M	Yes		Spring	Beer		Downtown Waynesboro
11/7/2015 8:50	50	10K	No	The price was too high. Ran it before, and didn't like the course.	Fall			A town park (Memorial, Rotary, etc)
11/7/2015 8:54	51	Half-marathon	Yes		Fall	Different ending route, not running through residential areas.		Renfrew
11/7/2015 9:08	52	Half-marathon	Yes		Fall		A lot of hills.	Keep it Trees and Scenery
11/7/2015 10:13	53	10M	Yes		Fall	I like the course just fine. I don't know the places you mention below. I prefer more country runs, but the sections of Waynesboro we go through are nice. Nice race, great support, good course. No complaints.	One of my favorite races.	
11/7/2015 10:21	54	10K	No	Volunteered	Fall		Rain	Downtown Waynesboro
11/7/2015 10:45	55	Half-marathon	Yes		Fall			Downtown Waynesboro
11/7/2015 11:02	56	5M	Yes		Fall	A better after party. I thought for the price we should have received better food. Any chance we can get some beer as well?	The after party.	Renfrew
11/7/2015 11:46	57	10M	No	Schedule conflict	Fall	More runners and more of a family atmosphere. Maybe center the race around a community event.	Only I didn't like was the steep hill within the last two miles of the race.	Downtown Waynesboro
11/7/2015 12:14	58	Half-marathon	Yes		Fall		I personally loved everything about the previous races. (I've done it 3 times and plan on running it again.)	Downtown Waynesboro
11/7/2015 13:30	59	Half-marathon	No	The price was too high	Fall	Same	Price and to hard to register and to hard to follow website and way to hard to get results	Same
11/7/2015 13:46	60	10K	No	I ran it before and didn't want to run it again	Fall			Renfrew
11/7/2015 14:23	61	Half-marathon	Yes		Fall	I liked how the 2015 course had a mixture of settings. It kept things interesting and not boring. It started/finished downtown. The last stretch downtown to the finish line was particularly fun. Ran through some residential neighborhoods. And also had some country roads. The course gave us a nice survey of the Waynesboro area.		Downtown Waynesboro
11/7/2015 14:48	62	Half-marathon or marathon	Yes		Fall	Well it is named after patriot... Would like to see patriotism like God bless America or star spangled banner or both	No checking of id when getting bib	Downtown Waynesboro
11/7/2015 15:26	63	Half-marathon or 10M	Yes		Fall	I think it's fine the way it is. Keep the registration fee as low as possible.	Nothing that I can think of.	Downtown Waynesboro
11/7/2015 15:47	64	10M	Yes		Fall	Expo night before or pasta dinner		Downtown Waynesboro
11/7/2015 16:41	65	10M	Yes		Fall	More water stations	Lack of chip timing	Downtown Waynesboro
						Chip timing		
						No stopping for traffic at intersections		
11/7/2015 16:44	66	Half-marathon	No	Schedule conflict	Fall	Beer garden	Lack of post race party	Downtown Waynesboro
11/7/2015 18:13	67	Half-marathon	Yes		Spring			Downtown Waynesboro
11/7/2015 21:47	68	10K	Yes		Fall		It was my 1st half marathon and I have no complaints!	Renfrew
							I would run it again.	
11/8/2015 9:02	69	Half-marathon	Yes		Spring			Downtown Waynesboro
11/8/2015 10:41	70	26.2	Yes		Fall		The hills!!	Downtown Waynesboro
11/8/2015 12:35	71	30K or 20M	No	No interest. Nothing special about this one.		No preference for time of year, and for the half marathon, I don't have an opinion since I haven't the MAH. But if you're looking to do something interesting, please consider whether it might be worthwhile to transform the Mad Anthony into a 30k or 20 mile race to make it a bit out of the ordinary. Or perhaps just add a marathon course, since I'm sure there are plenty of marathoners who would be interested.		Downtown Waynesboro
						(I'm a veteran of the 2010 CFAR Gut Check 30k. I really enjoyed that race, and was sad to see it go).		
11/8/2015 15:09	72	10K	Yes		Spring			Downtown Waynesboro
11/9/2015 14:53	73	Half-marathon	Yes		Fall	I think the race is great. It would be nice to have a PA system for the awards. I loved the idea of the Boro Challenge, but I couldn't figure out how to register unless I paid full price for both races (and I'm too much of a cheapskate to do that). If there is a discount for registering for both, I would sign up.	I liked the original course better -- I'd rather a shorter, steeper hill. I won't complain about the unpaved section of the Boulevard because it will be paved by next year.	Downtown Waynesboro
11/9/2015 19:40	74	Half-marathon	Yes		Fall			Downtown Waynesboro
11/9/2015 20:23	75	30K	Yes		Spring			Downtown Waynesboro
11/10/2015 8:10	76	Half-marathon	Yes		Fall	It is the perfect race. Please do not change it. I love it just as it is. It is the perfect mix of party and peaceful running. Maybe more of a party in Hollengreen, but it isn't necessary.	Nothing. They have all been awesome.	Downtown Waynesboro
11/10/2015 9:05	77	Marathon	Yes	I ran it	Fall		The weather but you had no control over that. Possibly later September would be nice because it would be cooler. It would be fun to have a longer course.	Renfrew
11/10/2015 21:40	78	Half-marathon	Yes		Fall	Actual chip timing		Downtown Waynesboro
11/11/2015 20:37	79	Half-marathon	Yes		Fall		The race was organized very well- plenty of water, food etc.... I like supporting downtown - the parks would be nice too...!!	Downtown Waynesboro
11/16/2015 14:48	80	10K	Yes		Spring	Coffee at the finish line. If you continue to have a half marathon--maybe pacer groups.		Downtown Waynesboro
